TERMS AND CONDITIONS OF SALE

REPAIR PARTS PRICE SHEET

All orders are subject to acceptance by the general Sales Department, Mississauga, Ontario. No liability shall be incurred by **Mestek Canada** if manufacture or delivery is prevented by strikes, fires, delays of carriers or other delays unavoidable or beyond its reasonable control or by inability to obtain materials.

Prices quoted herein supersede all prior price lists and are subject to change without notice.

Prices are TAXES EXTRA, any taxes which may be payable on the manufacture, sale or delivery of the merchandise covered by this price book will be billed to the buyer.

PAYMENT TERMS: Cash discount is 2% - 15th of the month following, net 30th.

Interest at the current prime rate of 2% per month will be charged on all past due accounts.

An order for items included in this price book for which invoice prices aggregate less the \$25.00 net will be billed at \$25.00.

FREIGHT TERMS: Prices quoted herein are F.O.B. our Mississauga plant. Freight will be allowed as follows:

Shipping weights supplied in the price book are approximate, for buyer's convenience only, and are not guaranteed. We reserve the choice of transportation facilities and shipping point. Freight allowances are subject to change without notice.

DELIVERY: Delivery to the initial carrier shall constitute delivery to the buyer. The seller's responsibility ceases upon delivery in good order to such carrier, and all merchandise is shipped at the buyer's risk.

The buyer is urged to examine all deliveries before signing transportation receipts. If merchandise is visibly damaged, the buyer should insist that written confirmation of the damage be noted on the freight bill by the agent of the carrier. If damage is discovered after unpacking, the carrier should be notified at once so that inspection can be made and the claimed damage substantiated by the carrier.

RETURN MATERIAL POLICY: No material, whether new, used or alleged defective, may be returned without prior written authorization from the company.

New and used equipment of current manufacture may be returned, freight prepaid after written authorization has been received. In such cases, credit will be allowed, less 20% handling and/or inspection charges if the equipment is received free of shipping or other damage.

Material arriving at **Mestek Canada** plants not properly tagged will be refused.

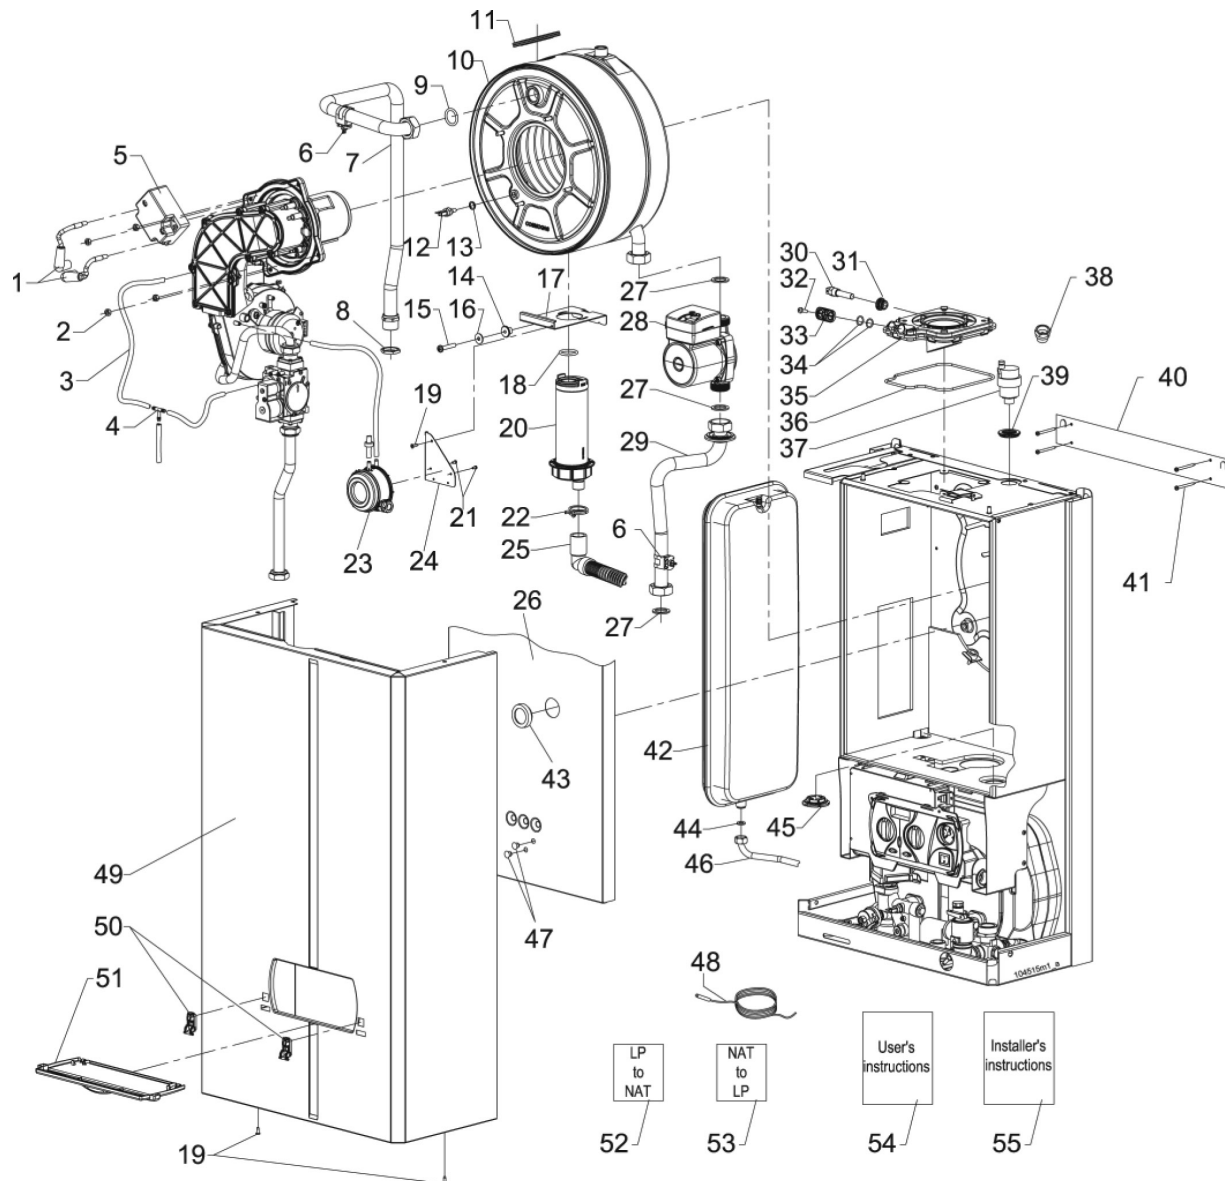

PROCEDURE FOR OBTAINING AUTHORIZATION TO RETURN MATERIAL: The customer or **Mestek Canada** Representative will request an "Authorization to Return Material" tag. A separate tag will be issued for each item to be returned. All information requested on the tag must be supplied, if applicable, in order that the request may be processed promptly. The original tag will be torn off and retained by the customer for his records. The remaining two copies will be returned to **Mestek Canada**, Mississauga, Ontario, along with the returned material.

WARRANTY CLAIMS: Claims made under warranty on equipment thereof manufacturer by **Mestek Canada** after the warranty has expired will be considered on the basis of 6 month "shelf time" prior to the date of installation.

Claims made on equipment of parts thereof manufactured by **Mestek Canada** after this time frame will only be considered after claimant furnishes notarized bill of sales showing that the date of installation was within the warranty period.

LABOR CLAIMS AND ALLOWANCES: as specified in the limited warranty, no labor allowances will be made for the replacement of warranty materials claimed defective
